*The International
Waldenstrom's
Macroglobulinemia Foundation
is dedicated to:*

- *Providing encouragement and support to patients with Waldenstrom's macroglobulinemia and their families*

- *Providing a means for patients and their families to communicate with each other*

- *Providing information and educational programs that address patients' concerns*

- *Increasing awareness of the issues related to WM*

- *Encouraging and supporting research toward more effective treatment and ultimately finding a cure*
