

24th Annual IWMF Educational Forum
June 7-9, 2019
Philadelphia, Pennsylvania
“Imagine a Cure: The WM Revolution!”

A few notes about this year’s agenda: The Early Bird Session on “Basic Training for WMers” will kick off at 8:00 AM on Friday, June 7, with a continental breakfast open to ALL attendees. This session is geared to the newly diagnosed but also offers the opportunity for a “refresher course” for long-time attendees. The General Sessions will begin on Friday, June 7, at 11:00 AM. New for this year is a Saturday afternoon session called “Great Debates in WM” that will feature some of the experts pitted against each other for discussions of hot topics in WM.
